

To Whom It May Concern,

I am pleased to write this letter of recommendation for Josefina Khunová, who worked in our kitchen at Vallmo restaurant in Prague from December 2024 to May 2025.

Josefina is a talented and dedicated chef with a strong passion for her craft. From day one, she impressed us with her work ethic, reliability, and willingness to learn. She quickly adapted to our standards and routines, and showed great initiative in expanding her skills and knowledge throughout her time with us.

What makes Josefina stand out is not only her natural talent in the kitchen, but also her determination and steady focus, even during the busiest shifts. She's someone who takes her responsibilities seriously, consistently delivers high-quality work, and contributes positively to the team environment.

Josefina was a valued part of our kitchen team, and I have no doubt that she'll continue to grow and succeed in any future role. I highly recommend her to any employer looking for a committed and fast-learning professional.
